Arindam Banerjee

Software Enginner

banerjeearindam987@gmail.com | (+91) 8770395056

GitHub : @banerjeearindam09 **LinkedIn : Arindam Banerjee**

Career Objective:

To acquire a challenging position as a software developer where I can continuously grow and enhance my skills in full-stack, problem solving while taking on greater responsibilities. I aim to learn from every opportunity, contribute effectively to my team, and progress into higher roles where I can create more impact.

Education

Bansal Institute of Science & Technology, Bhopal| 2024-2028 **7.5 CGPA**
BTech in Computer Science Engineering (CSE)

X GyanSagarPublic School, Chhindwara, MP | 2022 **93%**

XII MotherTeresa School, Bhopal, MP | 2024 **78%**

Technical Skills

- **Programing Languages** ; C++
- **Web Development** ; HTML, CSS
- **Frameworks and Libraries** : Tailwind CSS,
- **Databases** : SQL
- **Core Concepts** : DSA, OOPS
- **Developer Tools** : Git, Github, VS Code
- **Interpersonal Skills** : Communication, Teamwork, Adaptibility

Projects

Blockchain-Based Certificate Verification System | Python, Solana, IPFS, React, HTML, CSS

- A blockchain-based certificate verification system securely records certificate data and hashes on an immutable ledger, enabling instant and tamper-proof authenticity checks.
- Backend Developer (Python, Solana).
- Alternative to NCVET's centralized verification process.

AI Notes Summarizer | Python, Hugging Face LLM, HTML, CSS

- The AI notes summarizer automatically condenses lengthy notes into concise summaries for easier review.
- Backend Developer (Python).
- It improves study efficiency by saving time and enhancing information retention for users.

Live On Screen Translator | Python

- Translates and replaces text live on screen with similar font and size.
- Backend Developer(Python).
- Reduces the hassle of going to a website/app and translating each line one by one in a live environment like games/comics.

Certification

- Python Fundamentals Infosys Springboard
- Introduction to Cloud Computing, IBM

Achievements

- Participant in 3+ Hackathons
- Participant in SIH 2025
